BradyPrinter i3300 Industrial Label Printer

The BradyPrinter i3300 Industrial Label Printer is a completely hassle free, easy to use PC-based printer. It can print a full range of safety and facility labels and signs as well as die cut labels for wire identification, product identification and laboratory identification.

Print a huge range of labels & signs

With the BradyPrinter i3300, you can print a huge range of reliable labels and signs at your location in monocolour. More than 50 different Brady label materials are compatible with the BradyPrinter i3300. Labels & signs that can be printed with the BradyPrinter i3300 include:

• wire & cable identification labels
• product and laboratory identification labels
• safety and facility signs

These can be used both in- and outdoor, and include specialty solutions like ToughWash labels and ToughStripe floor marking.

Designed to last

The BradyPrinter i3300 prints on Brady's industrial grade labels that have been designed to last in challenging conditions. All Brady labels have been tested in line with international ASTM test methods and a technical data sheet is available for every material.

Extremely easy to use

The BradyPrinter i3300 is extremely easy to use and features auto-calibration and automatic label material setup. This will enable you to immediately start printing the signs and labels you need. Switching to another label material is easy and extremely fast thanks to the printer's 'drop-in' label materials and matching ink ribbons that can be switched out in less than 20 seconds. When used with Brady Workstation apps, a wide variety of sign & label design options becomes available.
