

# ergotron®

*moving you forward*

## **Neo-Flex® Mobile MediaCenter**

- Move digital signage and images to where you need them
- Rotate your display to portrait or landscape orientation—no need to reinstall display
- Optional camera shelf accessory converts any space into a video-conference center
- Easily roll cart through standard-size doorways and over thresholds
- Patented Constant Force™ Technology enables smooth, effortless portrait-to-landscape rotation, tilt and height adjustment. Adjusts with just a touch—no knobs or levers
- Modular cable management channels conceal and organize cables
- Speedy assembly and installation

STRETCH YOUR DISPLAY MEDIA INVESTMENT WITH  
LIFT, TILT, ROTATION—AND MOBILITY

Bring digital content to life with Ergotron's sleek Neo-Flex Mobile MediaCenter. With effortless height adjustment and integrated portrait-to-landscape capability, this cart stretches your investment by serving a variety of projection needs in rooms throughout a facility. Affordability, simple assembly and effortless operation make the Mobile MediaCenter perfect for digital signage, conferencing and other applications.

- Complies with UL Tip Standards 1667 and 1678
- Rugged plastic-composite shelf conveniently attaches to cart at any height
- Modular cable channel system is adaptable for various wiring configurations
- Portrait orientation is not recommended for some plasma displays. Contact display manufacturer if you have questions regarding your plasma's portrait-mode capability (this is not an issue with LCD technology)

- CPUs attach safely to rear of cart with Universal CPU Holder accessory (ordered separately). Compatible with CPU sizes from 12"H x 3"D to 18"H x 8.5"D (30 x 8 cm to 46 x 22 cm)

Small CPUs with VESA hole-mounting pattern can be mounted behind the display with the MMC VESA-CPU Mount (ordered separately); VESA-compliant (75/100 mm) thin client CPU must have either a 75 x 75 mm or 100 x 100 mm mounting hole pattern.

- Add the MMC Camera Shelf Kit (97-491-085, ordered separately) to place adjustable camera shelf above the display
- Three-year warranty

	LD	VHD	UHD
Part # (color)	24-190-085 (black)	24-191-085 (black)	24-192-085 (black)
